

TECHNICAL DATA SHEET

GC5 GREEN CLEAN

GREENCLEAN™ is a waterbased environmentally friendly degreaser.

It should be applied liberally with a rag and wiped off with a clean rag. Ensure that all traces of grease & dirt have been removed before applying **AQUAGRIP**.

Thames Coatings, Sutton Lane, LANGLEY, SL3 8AR, T. 01753 584 500, F. 01753 584 501

N.B.: Data provided on this Technical Data Sheet correspond to our best knowledge and experience. We assure consistency on the chemical-physical characteristics of our products, within the tolerance limits specified on our Technical Data Sheets. Responsibility of final result of product application is fully up to the users, who shall make sure that the product corresponds to their own needs with regard to application system, to substrates used as well as to working conditions.

WARNING: Actual viscosity of some pigmented and/or thixotropic products may differ from the viscosity shown on the Technical Data Sheet. Differences are to be regarded as acceptable if within 30% maximum.
